Dividends are declared and paid out of unrestricted retained earnings of the Bank at such intervals as the Board of Directors may determine and in accordance with the provisions of law and the regulations of the BSP and the SEC. Historically, the Bank has declared annual cash dividends equal to P1.00 per common share, equivalent to 5% of the par value.

Cash dividends are subject to approval by at least a majority of the Board of Directors, with the record date not being earlier than 10 trading days from declaration, and the payment date not later than 18 trading days from the record date. On the other hand, stock dividends require prior clearance from the Bangko Sentral ng Pilipinas and the Securities and Exchange Commission, as well as the Philippine Stock Exchange (with respect to listing.)

The payment of dividends in the future will depend on the Bank's earnings, cash flow, financial condition, regulatory requirements for capital and other factors. Circumstances which could restrict the payment of cash dividends include, but are not limited to, when the Bank undertakes major projects and developments requiring substantial cash expenditures. The Board of Directors may, at any time, modify the Bank's dividend payout ratio depending on the results of operations and future projects and plans of the Bank.
