

Minutes of the Annual Stockholders' Meeting
Virtually via Cisco WebEx Platform
April 22, 2026 at 2:00 P.M.

I. CALL TO ORDER

The Chairman of the Board of Directors, Mr. Arthur Ty, presided over the meeting and called it to order at 2:19 p.m., welcoming the stockholders to the 2026 Annual Stockholders' Meeting of Metropolitan Bank & Trust Company. The Corporate Secretary, Atty. Regis V. Puno recorded the minutes of the proceedings. In compliance with regulatory requirements, the Corporate Secretary manifested that the official audio and video recordings of the meeting were secured by the Office of the Corporate Secretary.

II. CERTIFICATION OF NOTICE AND QUORUM

The Corporate Secretary manifested to the Chairman and the Stockholders that the meeting was duly convened. The Corporate Secretary further certified that the Notice for the 2026 Annual Stockholders' Meeting was duly published and distributed to all stockholders of record as of 09 March 2026 in compliance with the existing regulations of the Securities and Exchange Commission (SEC).

The Corporate Secretary certified that out of the **4,497,415,555** total outstanding shares of capital stock as of Record Date, a total of **2,997,024,688** common shares, representing **66.64%** of the outstanding shares of capital stock, were present in person or represented by proxy. Thereupon the Corporate Secretary attested that the required quorum was present for the valid transaction of all business included in the agenda.

Additionally, the Corporate Secretary manifested the complete, 100% attendance of the Board of Directors. The following members were present:

- | | |
|------------------------------|-----------------------------|
| 1. Arthur Ty | - Chairman |
| 2. Francisco C. Sebastian | - Vice Chairman |
| 3. Fabian S. Dee | - President |
| 4. Alfred V. Ty | - Director |
| 5. Vicente R. Cuna, Jr. | - Director |
| 6. Solomon S. Cua | - Director |
| 7. Jose Vicente L. Alde | - Director |
| 8. Anthony Paul C. Yap | - Director |
| 9. Angelica H. Lavares | - Independent Director |
| 10. Philip G. Soliven | - Lead Independent Director |
| 11. Marcelo C. Fernando, Jr. | - Independent Director |
| 12. Juan Miguel L. Escaler | - Independent Director |

(Note: The official list of stockholders in attendance is provided herewith as Annex "A".)

III. APPROVAL OF THE MINUTES FOR THE ANNUAL STOCKHOLDERS' MEETING HELD ON 23 APRIL 2025

The Chairman proceeded to the first item on the agenda which was the approval of the Minutes of the previous Annual Stockholders' Meeting held on April 23, 2025. Copies of were previously appended to the Information Statement disseminated to the stockholders and posted on the Bank's website pursuant to applicable SEC regulations.

Upon motion duly made and seconded, the stockholders approved the minutes of the previous meeting. The Corporate Secretary manifested that **2,989,893,187** shares, representing **99.76%** of the total shares virtually present and represented by proxy, voted in favor of the approval. There were **0** shares (**0.00%**) that voted against, and **7,131,501** shares (**0.24%**) that abstained.

Thereupon, the stockholders approved and adopted the following resolution:

RESOLUTION NO. 001- MBTC-SH-2026

RESOLVED, that the Minutes of the Annual Stockholders' Meeting held on April 23, 2025, be, as they are hereby, approved.

Following the approval of the minutes, the Chairman requested the Bank's President, Mr. Fabian Dee, to deliver the Annual Report.

IV. PRESIDENT'S REPORT

The following is the pre-recorded report of the President on the highlights of Metrobank's performance for the year 2025:

Thank you, Chairman Arthur Ty. Good afternoon to our esteemed guests and our shareholders attending this year's virtual Annual Stockholders Meeting.

Let me start by giving how we were able to navigate the challenges we faced in the past year.

Macroeconomy

We were initially hopeful that the Philippine economy was well on its way to achieving about 6% growth post the mid-term elections.

We expected further cuts in the policy rates, supported by easing inflationary pressures, would spur consumer demand and recovery in investment spending.

However, the sentiment turned around by the second half of the year as political challenges prompted a sharp slowdown in government construction spending and weakened consumer sentiment.

Economic growth eventually slowed down to 4.4%, its weakest since 2011.

We are nonetheless pleased to report that Metrobank stayed resilient despite the economic and market challenges in 2025.

Metrobank Operating and Financial Highlights

The Bank delivered another record income of PHP49.7 billion in 2025, with pre-provision operating profit rising by 17.1% year-on-year to PHP78.4 billion.

Our sustained asset expansion, steady margins, strong trading income, and moderate cost growth were the key drivers of our solid performance.

More importantly, these have been made possible by the dynamic collaboration among Metrobankers and our clients. We supported each other to overcome market hurdles and worked hand in hand in executing our growth strategies.

Our total asset base increased by 10.2% to PHP3.9 trillion, keeping the Bank's position as the second largest private universal bank in the country .

Our lending business continued to thrive, as our gross loans increased by 8.8%. We recorded a modest 7.4% expansion in our corporate and commercial loans, in line with GDP growth trends.

Consumer loans climbed by 13.9%, with net credit card receivables increasing at a healthy pace of 21.9%, auto loans by 8.9%, and housing loans by 7.3%.

Our net interest margin stood at 3.6% in 2025, despite the 125 basis points cut in policy rates.

Our low cost Current and Savings Accounts (CASA), which made up 59.2% of our total deposits, grew by 5.9%, driving the increase in our total deposits to PHP2.7 trillion.

Total non-interest income rose by 11.6% to PHP33.5 billion, with fee income growth largely supported by our consumer business.

In addition, our combined trading and foreign exchange gains surged by 47.2% to PHP8.2 billion in 2025.

Meanwhile, we managed to contain our operating cost growth to 3.3%. As a result, the Bank's cost to income ratio improved to 50.7% from 53.8% in 2024.

In terms of asset quality, our non-performing loans (NPLs) accounted for 1.7% of total loans, well below the industry average of 3.2%.

More importantly, our NPL cover ratio also remains high at 140.8%, giving us a significant buffer against risks of rising NPLs in a challenging economic environment.

We have kept our balance sheet strong. Our high Capital Adequacy Ratio of 16.8% and Common Equity Tier 1 of 16.1% in 2025 reinforce our capacity to serve our clients' financial needs as we continue to face global and domestic financial uncertainties.

With our solid business performance and robust capital base, our Board of Directors approved to pay out total cash dividends of PHP22.5 billion or PHP 5.00 per share for 2026.

A special cash dividend of PHP2.00 was declared again on top of the regular dividend of PHP 3.00 per share, sustaining healthy shareholder returns for the third year.

Subsidiaries and Affiliates

The overall success of Metrobank has been largely driven by the collective efforts of our subsidiaries and affiliates.

Philippine Savings Bank (PSBank), our thrift bank subsidiary, grew its total assets to PHP237.3 billion in 2025.

Despite industry wide asset quality pressures in consumer loans, PSBank's NPL ratio fared better than industry, supported by enhanced credit models and disciplined risk management.

Our investment-banking subsidiary, First Metro Investment Corporation strengthened its partnership with large corporations, particularly in supporting their sustainability agenda.

First Metro successfully completed 20 deals in 2025 including arranging financing for key projects supporting the government's economic priorities, particularly in renewable energy.

Our insurance affiliate, AXA Philippines Life and General Insurance Corporation (AXA Philippines) finished strong in 2025, recording a double-digit growth in Annualized Premium Equivalent (APE) and gross written premiums in General Insurance.

Lastly, we also recognized improvements in ORIX Metro Leasing and Finance Corporation's (OMLF) loan portfolio health, with its NPL ratio back to pre-pandemic single-digit level. It further expanded its Electric Vehicle – Full Service Operating lease program and offers financing solutions to small businesses in Mindanao, supporting the Bank's sustainability and financial inclusion agenda.

Sustainability Initiatives and Contributions

At Metrobank, protecting shareholder value requires more than delivering financial performance in a given year. It requires disciplined management of our exposures, prudent capital allocation, and sustained investment in resilience.

This discipline is evident in how we manage legacy exposures responsibly, finance credible energy transition pathways and expand green and social financing where risk-adjusted returns are sound and aligned with long term national development priorities.

Our Sustainable Finance Framework provides the discipline behind this approach. In 2025, we secured an independent Second Party Opinion and received an SQS2 Sustainability Quality Score from Moody's Ratings. The assessment recognized the quality of our project selection process, governance controls, risk management, and reporting practices.

To date, we have extended more than PHP140.0 billion in committed sustainable finance-eligible loans. A portion of this portfolio is allocated to the development and operations of renewable energy assets.

And with the situation we are currently facing, it has become more urgent to continue on supporting the expansion of these alternative energy sources.

The recent successful listing of the PHP35 billion ASEAN Sustainability Bond, which is our largest Peso bond issuance to date will further support our sustainable finance initiatives.

Our support to communities extends beyond financing. As it has done since its establishment in 1979, Metrobank Foundation will continue to provide grants and assistance to individuals and partner organizations across education, health, livelihood development, arts and culture.

Looking Ahead in 2026

As we seemingly face a more challenging and uncertain year, we remain optimistic about what Metrobank can do.

We have all the necessary buffers in place. Our high NPL cover prepares us for whatever contingency that may come. We have maintained a strong balance sheet with high capital ratios and we have more than sufficient liquidity. Hence, we are well-prepared to weather market risks as well as leverage on the growth opportunities.

Our collaboration at Metrobank has a shared purpose: to better serve our clients and grow with them.

We will continue to value our partnership with all our clients, whether it's small business or large enterprises and individual customers, and support them to achieve their financial goals through loans, investment opportunities, and advisory services.

As we strive to provide comprehensive financial solutions and ensure clients find the right products and services through our suitability guidelines and financial education efforts.

Having seen the value of strong relationships across our business units and with our clients, Metrobank will further strengthen collaboration to optimize our banking solutions as well as branch and digital channels.

Furthermore, we will continue to expand our client base by reaching a broader range of demographics, especially younger generations.

More importantly, as the frontliners of the Bank's commitment to grow together with our clients, Metrobankers play a pivotal role in advancing our strategy.

In turn, we remain steadfast in supporting their growth and equipping them with the tools, training, and opportunities they need to succeed.

We sincerely acknowledge the dedication of our Metrobankers and the guidance of our Board of Directors, who have been instrumental in driving sustainable growth.

To our customers and communities, we reaffirm our commitment:

You are truly in good hands, and we look forward to continuing this journey of growth together in 2026 and beyond.

V. RATIFICATION OF CORPORATE ACTS

The Chairman proceeded to the next item on the agenda which was the ratification of all acts and resolutions of the Board of Directors, Management, and all Committees, during the year 2025. This includes, among others, the approval of loans, investments, new Bank products and services, and related party transactions, from April 23, 2025 to April 21, 2026.

Upon motion duly made and seconded, the stockholders approved the ratification. The Corporate Secretary manifested that **2,984,018,295** shares, representing **99.57%** of the total shares virtually present and represented by proxy, voted in favor of the ratification while **4,045,940** shares (**0.13%**) voted against, and **8,960,453** shares (**0.30%**) abstained.

Thereupon, the stockholders approved and adopted the following resolution:

RESOLUTION NO. 002 - MBTC-SH-2026

RESOLVED, that all acts, transactions, and resolutions of Management, the Board and Management Committees, and the Board of Directors, including among others, the approval of loans, investments, new Bank products and services and related party transactions from April 23, 2025 to April 21, 2026, be, as they are hereby, ratified and confirmed.

VI. ELECTION OF TWELVE (12) DIRECTORS FOR THE YEAR 2026 – 2027

At the request of the Chairman, Mr. Juan Miguel L. Escaler, Chairman of the Nominations Committee, reported that the following twelve (12) nominees, including the nominees for Independent Directors, were qualified to serve as members of the Board of Directors of Metrobank for the year 2026 – 2027:

1. Arthur Ty
2. Francisco C. Sebastian
3. Fabian S. Dee
4. Alfred V. Ty
5. Vicente R. Cuna, Jr.
6. Solomon S. Cua
7. Jose Vicente L. Alde
8. Anthony Paul C. Yap
9. Angelica H. Lavares (Independent Director)
10. Philip G. Soliven (Lead Independent Director)
11. Marcelo C. Fernando, Jr. (Independent Director)
12. Juan Miguel L. Escaler (Independent Director)

Upon motion duly made and seconded, the twelve (12) nominees were declared duly elected as members of the Board of Directors of the Bank. The Corporate Secretary manifested that, based on the tabulation of votes, each of the newly elected directors received at least **2,872,402,363** votes, representing **95.84%** of the votes from the total shares of capital stock virtually present and represented by proxy.

Thereupon, the stockholders approved and adopted the following resolution:

RESOLUTION NO. 003 - MBTC-SH-2026

RESOLVED, that the following individuals be, as they are hereby, elected as directors of Metrobank effective immediately, to serve as such for the corporate year 2026-2027 and until their successors are duly elected and qualified:

2. Arthur Ty
2. Francisco C. Sebastian
3. Fabian S. Dee
4. Alfred V. Ty
5. Vicente R. Cuna, Jr.
6. Solomon S. Cua
7. Jose Vicente L. Alde
8. Anthony Paul C. Yap
9. Angelica H. Lavares (Independent Director)
10. Philip G. Soliven (Lead Independent Director)
11. Marcelo C. Fernando, Jr. (Independent Director)
12. Juan Miguel L. Escaler (Independent Director)

VII. APPOINTMENT OF EXTERNAL AUDITOR FOR THE YEAR 2026

The Chairman proceeded to the final item on the agenda for voting and ratification by the stockholders, which was the appointment of the Bank's external auditor for the year 2026.

Upon motion duly made and seconded, the stockholders approved the appointment. The Corporate Secretary manifested that **2,899,972,136** shares, representing **96.76%** of the total shares virtually present and represented by proxy, voted in favor of the appointment. Meanwhile, **89,921,051** shares (**3.00%**) voted against, and **7,131,501** shares (**0.24%**) abstained from the motion to retain SGV & Co. as the Bank's external auditor for the year 2026.

Thereafter, the following shareholder resolution was approved and adopted:

RESOLUTION NO. 004- MBTC-SH-2026

RESOLVED, that, as recommended by the Audit Committee and approved by the Board of Directors, SGV & Co. be, as it is hereby, appointed as the external auditor of Metrobank for the year 2026.

The proxies, attendance, and votes cast at the Meeting were tabulated by the Bank's Stock Transfer Agent (the Metrobank -Trust Banking Group), and validated by SGV & Co. in its capacity as third-party validator.

VIII. OTHER MATTERS

With no other matters presented or having properly come before the meeting, the Chairman announced that questions and comments from the shareholders will now be addressed. He requested Ms. Minda A. Olonan, Head of Investors Relations Department to read aloud the questions and comments received from the stockholders.

QUESTIONS AND COMMENTS FROM THE STOCKHOLDERS

Host-Moderator Minda A. Olonan selected questions received via email and/or sent via the Q&A panel at ASMregistration@metrobank.com.ph

1. From *Wai-Shin-Chan*:

"The Philippine economy and many Metrobank clients are affected as the Middle East crisis creates energy price shocks as well as supply risks for industries and consumers. Developing Southeast Asian economies have been hit hard as they viewed gas as transition fuel have scaled up gas, and have hesitated to scale up renewables. Solar and wind, with battery and grid investments are now usually cheaper, more secure, and cleaner.

First question:

How is Metrobank accelerating efforts to create retail lending products that will allow rapid household investments, such as rooftop solar and even home batteries, that can arbitrage inter-day pricing peaks?

Second question:

Can you articulate how Metrobank, on the wholesale side, is positioned to support the country through the short-term energy shocks and long-term renewables build-up.

President Dee addressed the inquiry by detailing the Bank's two-pronged approach. On the corporate financing side, he reported that the Bank has approved a total of 100 Billion for renewable energy projects, primarily focused on solar and hydroelectric power. He noted that 35 Billion of this facility has been availed, leaving an unavailed balance of 65 Billion. To further support these endeavors, the President highlighted the Bank's recent issuance of sustainable bonds totaling 35 Billion. Shifting to the commercial and retail sectors, President Dee highlighted that the Bank's subsidiary, Orix, is actively providing operating leases for electric vehicles, catering primarily to commercial delivery fleets. On the retail side, he explained that the Bank is also entertaining retail financing requests for electric vehicle car loans as well as home improvement loans geared toward the installation of residential solar panels. President Dee clarified, however, that these retail requests are processed under the Bank's existing Metro Home loan facilities and current demand remains somewhat limited.

2. From Stephen Toh Chan:

“What is the overall impact of the Middle East crisis on the country and on Metrobank?”

President Dee addressed the inquiry by stating that the bank is not seeing any immediate impact from the crisis. On the credit side. He confirmed that the Bank has no direct exposure to any Middle Eastern entity at this time. In terms of Asset Quality and deliberate credit strategy he emphasized the Bank’s strong position, noting provisions amounting to 141% and Common Equity Tier 1 (CET1) capital ratio of 16.1%. To illustrate the portfolio’s resilience, President Dee referenced the Covid-19 pandemic as a major stress test; during its worst period, the Bank’s Non-Performing Loans (NPLs) increases to only around 2.4% while the wider banking industry exceeded 4%. He concluded that this proven capital strength, high-quality balance sheet, and solid provisioning prepare the Bank exceptionally well to support its customers through any challenges that may lie ahead.

The Host-moderator, Minda A. Olonan, manifested that President Dee’s response concurrently addressed a related question submitted by Micah Alvarez, proxy for stockholder Elena Tan, who inquired whether the bank has seen any deterioration in asset quality due to the ongoing Middle East crisis.

Ms. Olonan then confirmed that that was the last questions received.

IX. ADJOURNMENT

The Chairman thanked the stockholders for their participation, insightful questions, and continued support of the Bank.

There being no further questions or other business to transact, and upon motion duly made and seconded, the meeting was formally adjourned at 3:00 P.M.
